1. Is the program delegated or a EPA direct implementation program?
2. If it is a delegated program, why is EPA taking the enforcement action and not the state?
3. Was the state given an opportunity to take the enforcement action?
4. Does the state agree with the injunctive relief and/or penalty sought in the order?
5. Is there any environmental harm?

Re: Information Request – Section 308 of the Clean Water Act  
National Pollutant Discharge Elimination System Permit Nos.: NC0047384, NC0024325 Greensboro  
T.Z. Osborne Wastewater Treatment Plant  
North Buffalo Creek Wastewater Treatment Plant

Dear Mr. Drew:

The United States Environmental Protection Agency Region 4 has received the City of Durham's (the City) response to the EPA's January 18, 2017 information request letter, issued pursuant to Section 308 of the Clean Water Act (CWA). This letter is to inform you that the case file in the above-referenced matter has been closed.

This notification is not a permit under the CWA, and does not relieve you from the responsibility to comply with applicable requirements of the CWA or of any other requirement to obtain or comply with city, county, or state permits or authorizations before proceeding with any CWA-regulated activities. If you have any questions regarding this matter, please contact Mr. Brad Ammons at (404) 562-9769 or via email at [ammons.brad@epa.gov](mailto:ammons.brad@epa.gov).

Sincerely,

Maurice L. Horsey, IV, Chief  
Municipal & Industrial Enforcement Section  
NPDES Permitting & Enforcement Branch
